Ball Emerging from Scrum	In 7 - 11 years, to avoid a changeover there must be one pass if the onside player runs and does not score. In 12 years the onside player can run from the base of the scrum without risking a changeover.
Second Conversion	Refer to Safeplay Code page 7 - Advantage Play and the Code Item 3. When a try has been scored in the same play in which the act of misconduct occurred or in the immediate play thereafter, the penalty kick awarded for the offence will be deemed a 'second conversion' (place or drop kick).
Stripping of the Ball	At any tackle, there is to be <u>NO</u> stripping or stealing of the ball.
Held-Up In-Goal	When an attacking player is held-up in his opponent's in-goal area and is unable to ground the ball, play will be restarted by the player in possession playing the ball 10 metres out from the goal line directly opposite the point where he was held-up. The tackle count will then continue in the normal manner (ie. if a player is held-up on tackle 3, play will resume with a play-the-ball 10 metres from the goal line and the following tackle will be tackle 4). Please note that if a player in possession is held-up on the sixth tackle, there is no change to the existing rule.
